Mineseed Money Shop

/msm

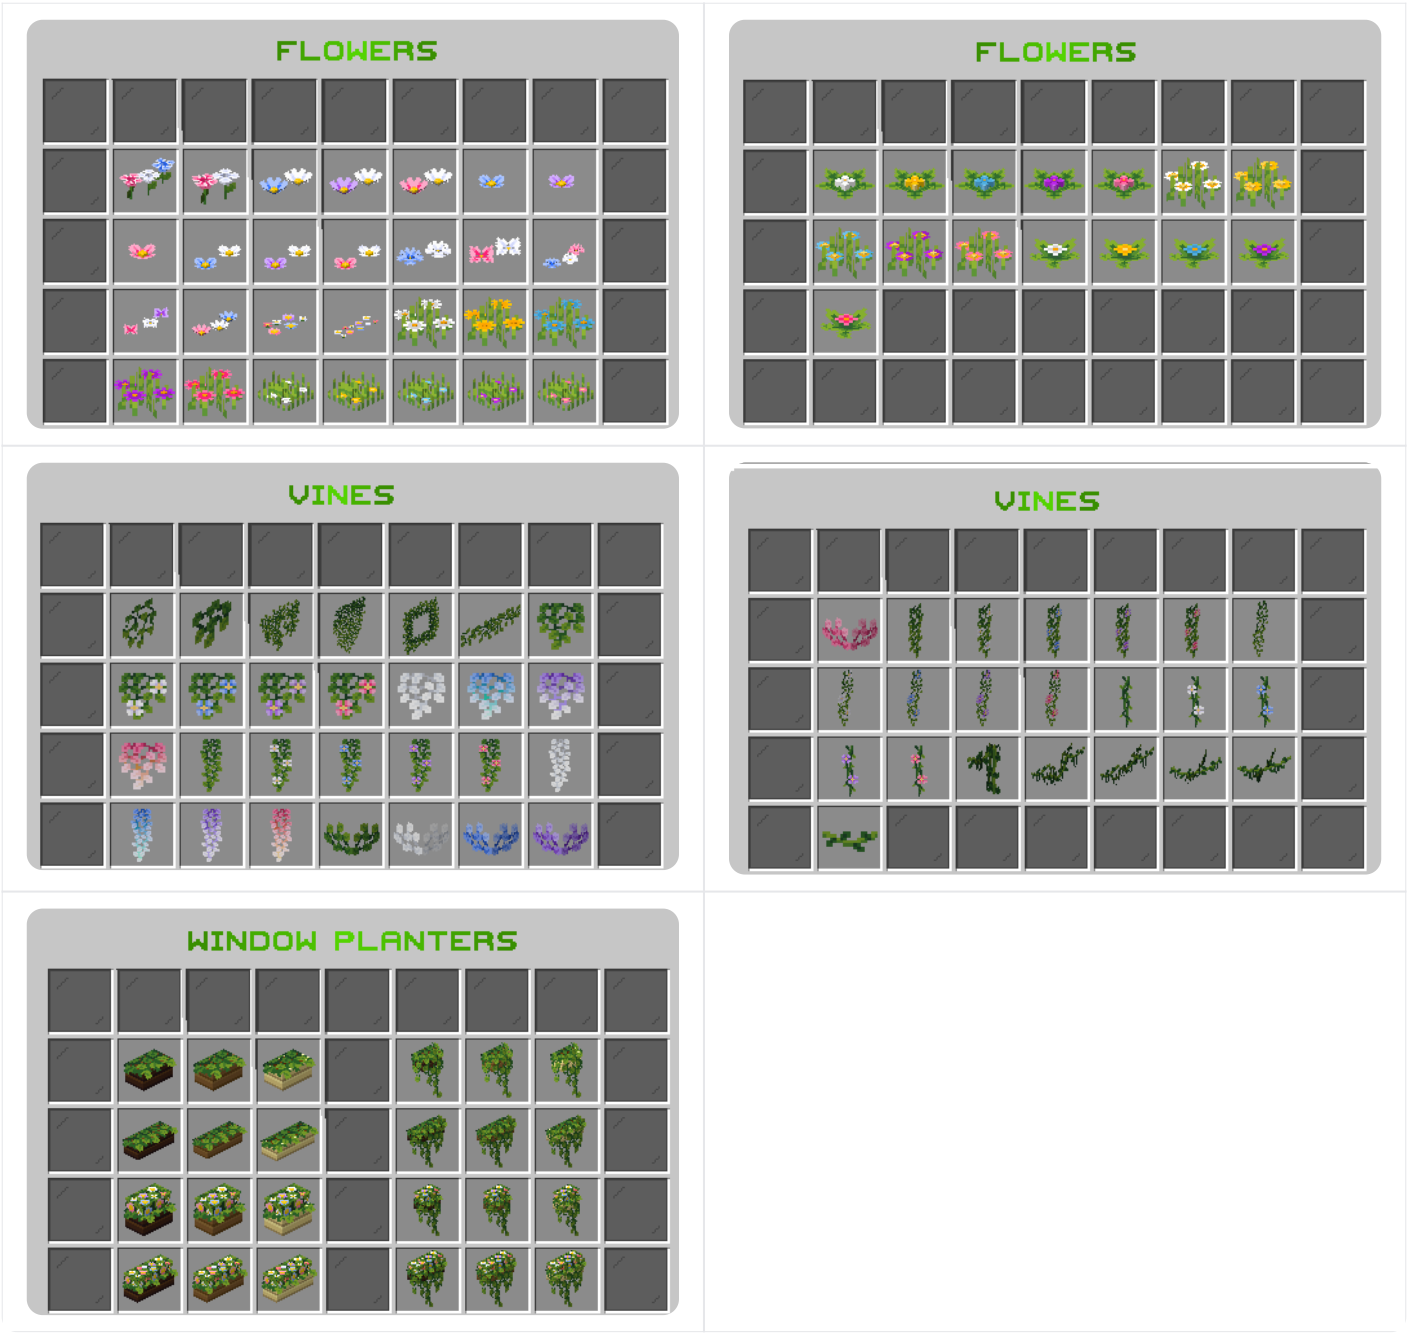

The Mineseed Money Shop provides some specialty items to help you further your game. In the chat bar, type the command /msm to access it.

There are many categories of items in the money shop

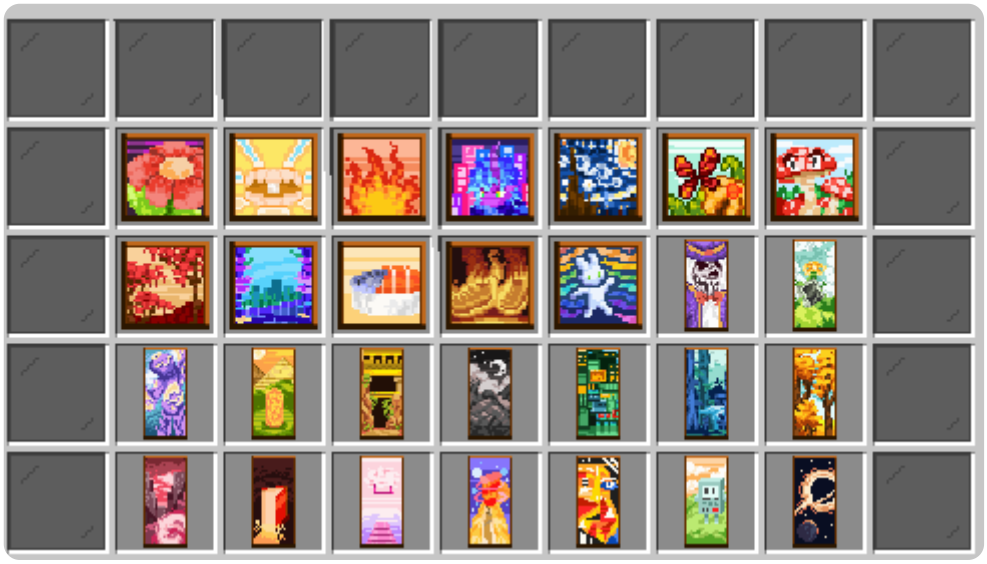

- Forgotten Market (a weekly shop that offers old gradients and items that aren't obtainable anymore)
- Greenhouse (varieties of bushes and plants, flowers, vines, and window planters to decorate your base)
- Paintings (other art options outside of the normal Minecraft paintings for decoration)
- Furniture (collections to decorate your base)
- Miscellaneous (elevator blocks, teleport blocks, chunk hoppers, invisible light sources, farming seed bombs, and more!)
- Custom Pets (more options for your /pets)
- Temporary Ranks (the IRL-money purchased ranks, available for purchase with in-game money)
- Stat Trackers (add them to your tools and armor to keep track of your game play)
