Minigames

/games

Mineseed features three minigames that you can play anytime you want! Use the command /games to see the menu to either challenge the computer for free or other players for fun or bet up to $100,000.

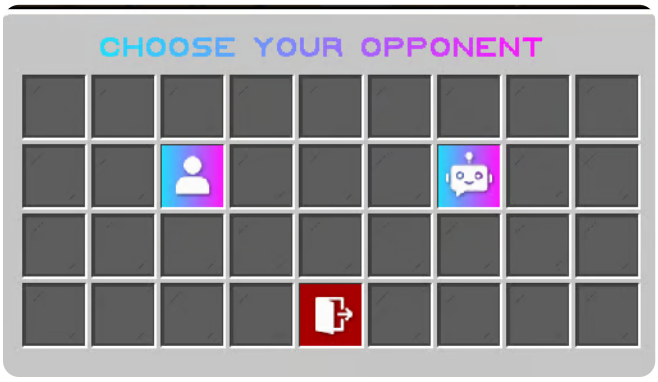

Available Games

Connect Four: Connect your assigned color for four in a row horizontally, vertically, or diagonally.

Tic Tac Toe: Be the first to get three in a row

Mini Gomoku: Similar to Connect Four, build a line of five in a row.

Playing against another player

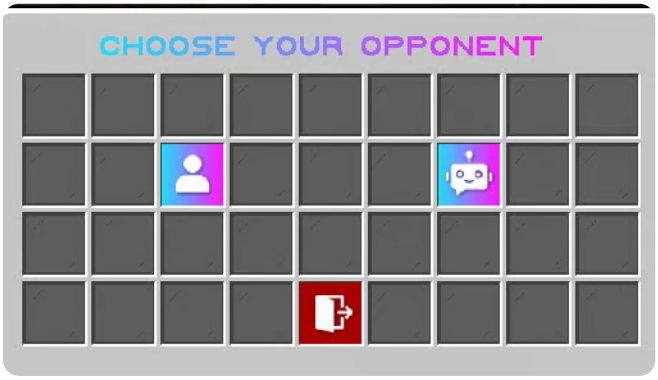

In the /games **menu, select which game you would like to play.**	
Next, select whether you'd like to play against another player or against the computer. The player icon is the left icon and the computer icon is the right icon.	

In the /games **menu, select which game you would like to play.**	
If you'd like to play against another player, select the head of the player against which you'd like to play:	
Select the stakes (for fun, $100, $1,000, or $10,000)	
Your opponent will receive a notification in their chat:	

In the /games **menu, select which game you would like to play.**	
Once your opponent accepts the game, it will begin. View pending invites by clicking the bottom green button:	

Playing against the computer

In the **/games** menu, select which game you would like to play.	

Next, select whether you'd like to play against another player or against the computer. The player icon is the left icon and the computer icon is the right icon.	
Select the difficulty level of the computer (green = easy, yellow = medium, red = hard)	
Your game will start immediately.
