???? Rules & Information

/rules

Welcome to Mineseed! This wiki is made to help you learn more about our SMP!

To play on Mineseed...

To play on mineseed, you are required to have full access to a minecraft account. EasyMC is prohibited.

We have rules in place to keep Mineseed a welcoming place for everyone regardless of ethnicity, representation, religion, or belief. The Mineseed staff reserve the right to punish anyone for reasons outside of the rules explicitly listed. Rules can change at any given time.

Use your common sense and keep the server kid-friendly!

> Use /rules in game to check for any changes! If you have any questions about any of the rules, please feel free to ask a staff member or open a discord support ticket!

Discord Rules

2. No Harassing & Abusing Others
3. No Promoting & Encouraging Spam
4. No Racism, Discrimination, & Hate Speech

In-Game

Alt accounts are allowed to keep chunks loaded, but they cannot be used in a manner to exploit the game, such as in weekly challenges, for extra auction slots, claiming double /rewards, etc. Admin discretion will be used to determine punishments on alt usage.

If you do not have a discord account and you were punished and want to appeal, please visit appeals.mineseed.org

Staff Applications

Interested in becoming a part of our staff team? Applications are always open! Simply follow the prompts in the link, answer to the best of your abilities and wait for a response!

We work to keep a full staff roster, and keep applications that meet the criteria on file until we are actively looking. When we are actively looking for new staff, we will notify eligible players to invite them to join the team.

Please don't get discouraged if you don't receive a message, or ask for the status of your application. We may be at capacity for staff!
